THE SHIP

Some ships sail east and others west
By the self-same winds that blow;
It's the set of the sail and not the gale
That determines the way they go.

Now, the ways of ships are like the ways of men,
As they travel on thru life;
It's the set of the soul, and not the goal
That determines the calm or the strife.

—ELLA WHEELER WILCOX

Rob-
I hope you
make as many friends
in life as you have in
school if you stay as happy
or lucky as you are now. I'm sure
you will. I'm a lucky
buddy. Really, however.

Foreword

In the year nineteen hundred forty the senior class dedicated to Clearwater High the name of Aqua Clara for its yearbook. Since that time, each class has tried to record, not only for the present students, but for future generations, the activities and organizations of our school.

We, the class of 1948, in endeavoring to carry out the meaning of "Aqua Clara," by snapshots, writeups, and classroom pictures, chose as the theme for this year—

"THE GOOD SHIP C. H. S. AND HER CREW"

Dedication

We dedicate this book to a person who has given much of her time, thought, and inspiration to us. But, she has been more than an adviser or teacher. Besides guiding us, she has been a friend—a friend whose thoughts we have shared, and whose ideals we have set on the highest mast. It is an honor for the Senior Class of 1948 to show its gratitude by dedicating this annual to

MISS SARAH DE KIRKPATRICK.

"A teacher who can arouse a feeling for one single good action, for one single good poem, accomplishes more than he who fills our memory with rows on rows of natural objects, classified with name and form."

—Johann Wolfgang Von Goethe.

Before we launch our senior ship, we pause to dedicate this page in honor of three comrades; two who are unable to set sail with us, and one whose ship has already reached its final port.

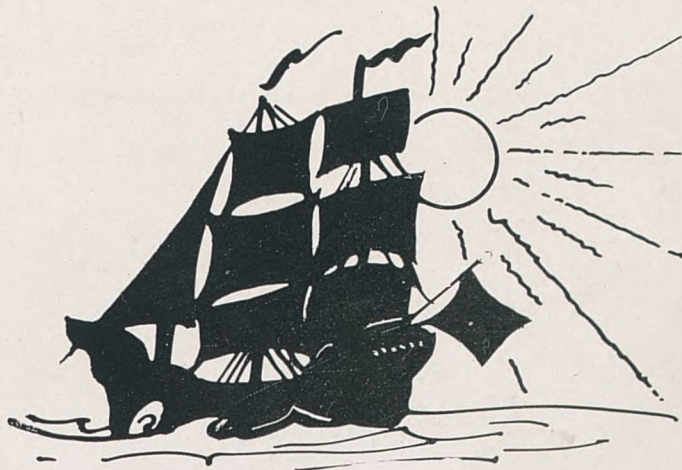

We have not forgotten them, for they will always be a part of us.

CLUB DIRECTORY

STUDENT COUNCIL

A seat on the Student Council is gained through election at the beginning of the year. Directed by Miss Martha Kelley, the council has representatives from all classes. Its purposes are to give students a voice in school management, to let its members have some experiences in government, and to form a place for interchange of ideas between students and faculty.

NATIONAL HONOR SOCIETY

Started in 1937, this society embraces members who have held an average of 85 or more from the ninth grade up, and who are also outstanding in character, leadership and service. Advisers are Miss Marguerite Morse and Miss Martha Kelley.

KEY CLUB

Granted a charter in 1942, this chapter of the Key Club is advised by Mr. Albert J. Blizel. All members must hold a scholastic average of 85 or better. The purpose of the club is to develop the character of the boys belonging to it. Its project for this year was raising funds to purchase a new trophy case.

GLEE CLUB

This year's music department of vocal music consists of three parts: the regular Mixed Chorus, the Girls' Glee Club, and the Boys' Glee Club. Directed by Mr. Wallace Gause, who was elected President of the Florida State Music Association this year, the chorus every year enters the District Contest and if making a first-division rating goes on to the State Contest held later in the spring. The Glee Club also takes part in many local events.

C-30 CLUB

This club consists of thirty girls from the student body. The purpose of the club is to promote closer fellowship among its members, and to serve the school and community. The girls are directed by Miss Amber V. Turner.

AQUA CLARA

A "Chatter" for Seniors only was started in 1937 but was changed in 1940 into an annual published by Seniors for the whole school's enjoyment. The adviser for the annual staff is Miss Sarah De Kirkpatrick.

CHS "CHATTER"

The school newspaper is published every two weeks by the journalism class reporters and staff and is put to press in the school print shop by Mr. Alfred Meadows and his helpers. Teacher-adviser is Mrs. Edna Knapp.

QUILL AND SCROLL

This club is the Edna North Knapp Clearwater Chapter for High School Journalism. All initiates must have

written forty or more inches for the "Chatter," have an average of 85 or better, or have been on the business staff of the paper. Adviser is Mrs. Edna Knapp.

MASQUE AND GAVEL

A part of the school since 1937 this dramatic gathering is sponsored by Miss Sarah De Kirkpatrick. The club is a recognition society for those interested in speech activities. Its purpose is to help those students who have some dramatic or forensic talent.

LOS GAUCHOS

In action since 1937, this club promotes a better understanding between Spanish speaking countries and our own. Headed by Senora Turner, its members have studied the histories of many of our South American neighbors. Its motto is "Quien mucho duerme, poco aprende" (He who sleeps much, learns little.)

LIBRARY CLUB

Organized in 1941 and advised by Mrs. Bessie Crowell, the Library Club takes care of checking books and magazines in and out of the school library. The members, besides receiving one-third unit's credit for a year's work, get the training for the job of librarian.

D. C. T.

All members of the Diversified Co-operative Training group are eligible to DCT Club membership. DCT students must be sixteen years of age or over, and have at least a "C" average before acceptance into the work-experience program. Directed by Mrs. Ruth Brubeck, this regular department of the school offers help to the student in choosing his vocation.

"C" CLUB

This club is made up of all those who have earned a varsity letter by participation in some sport. The members of this athletic club are advised by Coaches Justice, Spellman, and Brown.

F. H. A.

Organized last year, the club, a chapter of the Future Homemakers of America, is advised by Miss Uarda Briggs and Miss Mollie Cameron. Its purpose is to reach subjects at the club meetings that can't be covered in school.

HI-TEENS

Formed in 1920 as a branch of the Young Women's Christian Association, the director is now Miss Ruth Breese and adviser Miss Carol Avery. Its purpose is to help in building its member's characters. This year, under the presidency of Nancy McMullen, has been one of the most active ones in program activities and girls' participation in the club's events, including the delegation of members to various Y-Teen Conferences.

FOOTBALL

Left to Right—Assistant Coach Max Spellman, Coach Bill Justice, Assistant Coach Bob Brown.

COACHES

Head Coach Bill Justice came to Clearwater from North Carolina last fall after being a star athlete at Rollins College and serving in the Marines during the war.

Assistant Coach Max Spellman, altho he hails from Georgia, came to us from the University of North Carolina where he returned to finish his education after serving in the Navy.

Serving without any pay, Roberts Brown has coached our B-Squad teams and A-Squad Track. Coach Brown grew up in Florida and returned to study at the University of Tampa after serving in the Army.

A-SQUAD

The Tornadoes improved a great deal this season. Altho suffering defeat four times, twice they lost by only one point, and came out with six wins.

Returning after two victories, the Tornadoes thrilled an estimated 7,000 people in a Homecoming win over Tarpon Springs. The students elected Queen Jerry Burke and her

court, Eleanora Fuleky, Hadley Shaw, Hazel Blackburn and Nancy McMullen to reign over the Homecoming game and dance.

Altho losing to our traditional Thanksgiving opponents, St. Petersburg, the Tornadoes finished the season with a decisive win over Punta Gorda. Co-captains were John "Lil" Abner and Bobby Ogles.
